

# Cultural Report 2020-21

*With a belief that curricular and extra-curricular events contribute immensely in holistic development of students' personality, Cultural Committee organises host of events. Such events provide a platform to students to showcase their talent in diverse fields of performing arts, literary arts and so on.*

*Cultural Committee holds competitions at inter collegiate and intra-collegiate level, conducts cultural fest and motivates our students to participate in inter collegiate and intra-collegiate level. Experience of organising and holding such events and competitions leads to all-round development of our students as it brings out their leadership skills and team-spirit.*

*Every year Cultural Volunteers are actively involved in number of such activities however the year 2020-21 was different and difficult in many ways. Due to the lockdown enforced to curb the impact of Covid Pandemic in the city of Mumbai, many of the cultural events could not be conducted in physical space.*

Cosmopolitan's Valia College celebrated its 21<sup>st</sup> season of COSMOS JALLOSH with the theme 'POP CULTURE 2020'. The theme pop Culture for Jallosh 2021 sums up with a year full of content created and enjoyed by us watching movies and shows, or listening to music and podcasts, or even by the memes and trends that go viral. Right from the age-old idea of pop culture such as pop music, cartoons and superheroes, we are in a world discovering content and creativity every day. The movies and web series we have grown watching plus everything that impacted our 2020. With the internet being a very dominant part of our lives, we very much relate and enjoy the dialogues, lyrics and content we hear. Pop Culture through the years has been the source of so much more than just fun and joy, but also shared knowledge, expanded our imagination and creativity. In adherence to the distinctive theme, a number of programmes and competitions were held. Our President, Shree Himmat Valia, inaugurated the festival by inspiring the students to hold on to the positive energy and to always strive towards excellence.
