## **BRIEF HISTORY**

In 1961, it was the spirit of idealism that inspired a group of likeminded residents of D. N. Nagar, Andheri (W) to establish a quality educational institution. And this resulted in the inception of the Cosmopolitan Education Society. Under its aegis, the society established the Valia College of Commerce and Arts in 1986. Today, the college with a total strength of more than 2500 students offers various graduate and undergraduate programs- namely Bachelor of Commerce (B. Com), Bachelor of Commerce (Accounting and Finance) B.Com (A & F), Bachelor of Management Studies (B.M.S.) Bachelor of Mass Media (B.M.M) Bachelor of Science (Information Technology) B.Sc. (IT), Master of Commerce M.Com (Accountancy), Master of Science (Information Technology).

Over the years, Valia College has grown in strength to achieve a distinctive reputation. Our efforts are aimed at providing a holistic development of the student personality which necessarily involves going beyond the curriculum. At Valia college our responsibility is not confined to the student community alone, we owe a larger responsibility to the society and the nation. Our efforts are directed towards creating an environment that fosters the spirit of equality.

The power of dreams continues to be the driving force of our institution.

### **OUR VISION**

**To maintain the highest academic standards upholding the noblest ideals and moral values, to identify hidden talent, create enlightened, empowered and socially committed students and above all good human beings.**

### **OUR MISSION**

**To provide value -based quality education and training in an environment conducive to intellectual, social and cultural enrichment so as to mould responsible citizens with a harmonious blend of Indian traditions and modern technology for a better tomorrow.**

### **OUR OBJECTIVES**

**To impart quality education by regular review and upgradation of the teaching-learning process.**

- **To promote quality consciousness amongst staff and students.**
- **To provide access to information through a harmonious blend of traditional and modern sources.**
- **To extend guidance and support to students in their pursuit of professions and careers.**
- **To nurture talent and provide opportunities for growth in the areas of arts and sports.**
- **To sensitize students to the social milieu.**
